Re: Your letter of November 3, 2009  
RCA Docket U-06-107

Dear Mr. Figura:

We received your letter dated November 3, 2009, containing the bi-monthly gas supply report for your client, Fairbanks Natural Gas Company (FNG) as required by Order U-06-107(5). In your letter you request that FNG be relieved of the responsibility to continue filing bi-monthly reports on its efforts to secure a new gas supply.

If you wish the RCA to consider taking action regarding the bi-monthly reporting requirement established by Order U-06-107(5), please file an appropriate pleading.

Sincerely,

REGULATORY COMMISSION OF ALASKA

Robert M. Pickett  
Chairman
